**Subject:** RE: NMP Risk Evaluation (files part 1)

Attached are the files that were requested yesterday at the briefing related to the studies and PBPK supplementary information informing the 2015 risk assessment.

Joel will have to send the remaining files related to the risk management activities.

I will send you another email (files part 2) submitting Dupont (1990). It is a large file that I can't attach to this email. Let me know if you need additional files.
